

REMARKS

Claims 1-50 are pending in the present application. Claims 34-50 have been added to round out the scope of protection. Further, claims 34-50 should be allowable for similar reasons that claims 1-34 were in condition for allowance as indicated by the Notice of Allowance dated October 23, 2002. Applicants reserve the right to pursue the original claims and other claims in this and other applications. Applicants also include a "Request for Continued Examination" filed concurrently herewith for purposes of having this Amendment and the concurrently filed Supplemental Information Disclosure Statement considered.

Allowance of the application with claims 1-50 is respectfully solicited.

Dated: November 26, 2002

Respectfully submitted,
